To Whom It May Concern:

I am proud to offer my full endorsement of the Fundamental Sports Academy (FSA) as organized, detailed, and explained by Paul Fresques.

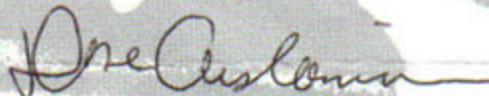

I have seen it first hand, and am impressed with Paul's vision and efforts in this program.

FSA provides a valuable tool for parents, educators, and concerned individuals to help reinforce and/or introduce attitudes and personal qualities of success to young people through the avenue of sports. The young peoples involvement, through FSA, with sports and sports figures will improve their understanding of basic fundamentals and skills in not just a physical sense, but also the much needed mental and emotional sense as well.

FSA is a program with great potential, and Paul Fresques is determined to maximize that potential for the benefit of OUR young people.

THANK YOU Paul for your efforts with this program, and CONGRATULATIONS to All that participate.

Sincerely,
